THE BEST OF ALL WORLDS

The property is located at the Amsterdam Health and Technology Campus on the South side of the Amstel III office district. This area, opposite the AMC hospital is currently being transformed and will be part of the Amsterdam Life Science District. Today already 2,000 apartments and a communal park have been realised. Various public facilities such as bars, restaurants, a supermarket, dental practice, GP office and a gym already complement the area. Another 3,000 apartments including further public facilities will be added in the coming decades. The location is well reachable. By car with direct access to the A2, A9 and A10 motorways. Public transport connections are excellent with Holendrecht metro, bus and train station within short walking distance. Amsterdam's world-renowned Schiphol Airport is just 15 minutes away.

A NEW WAY TO WORK, LIVE, RELAX

The Amsterdam Health and Technology Campus is an innovative business environment where work, leisure and relaxation combine seamlessly. Annual networking events and an active IQuarters community bring every user a work experience that goes above and beyond the standard. IQuarters is short for Innovation Quarters, a bright place where sustainable office accommodation is designed to help companies achieve their objectives.
